1 How to manage transitions?

- Firstly, I'll understand that what type of responsibilities I have to handle. I will adapt the environment of new work place, improve my communication skill with seniors & colleagues. I will make a good bond with surrounding peoples & understand office/company policy.

2 How to manage stress?

- Firstly, I'll divide my task or work in small parts & assign a time to complete it within a time. Or, I will take help from seniors or friends.

3 How to prepare for interview?

- Firstly, I'll research about the company, that about their projects, environment etc. I'll prepare my technical skills. I'll try best to give answer in English.
